

Building Better Together

Your favourite market-leading brands all under one roof

Atkore, a leading global cable management & protection manufacturer to the construction industry, has a legacy spanning over 100 years.

Our market-leading brands – Atkore Unistrut, Atkore Marco and Atkore Flexicon – provide a versatile one-stop product solution for diverse markets including data centres, commercial, healthcare, industrial, and rail.

Atkore[™] Unistrut

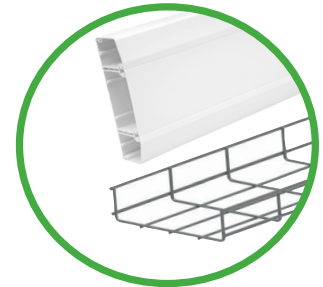

Industry-leading **metal framing systems** with a comprehensive range of **channels and fittings**, available in a range of finishes. Alongside this, a complete line of **cable management systems** including tray, ladder, trunking, and pre-fabricated & modular solutions are also available.

Atkore[™] Flexicon

Over 62 metallic & non-metallic **flexible conduit systems**, manufactured and tested to the highest standards. With a wide range of materials and options available, a simple, safe, and secure way of **protecting cables in technically demanding applications**.

Atkore[™] Marco

High-quality and lightweight **uPVC cable management systems** and **steel wire cable tray** from a leading UK-based containment solution manufacturer. Products include **uPVC trunking, poles & benches, steel wire cable tray and fast-fix accessories**.
